

Protect Your Patients – Generate Revenue – No Cost to You

Introducing the Rx DrugSAFE Doctor Direct Program

Generate Revenue & Help Your Patients Beyond Your Practice Doors!

- **1.1 Million Drug Related ER Visits Annually**
- **1 in 5 Teenagers Abuse Prescription Drugs**
- **70% Stolen Directly From the Medicine Cabinet**
- **A Child Visits the ER Every 8 Minutes from Medication Poisoning**

**At Rx Safes, Inc. we believe the solution is simple:
PREVENT ACCESS – PREVENT ABUSE with Rx DrugSAFE**

What is Rx DrugSAFE?

Rx DrugSAFE is a fingerprint secured personal medication safe which provides a convenient way for your patients to keep medications locked up in the home.

- Secure and Convenient Fingerprint Access
- No Keys or Pin Codes
- Multiple Users
- Administration Function
- Stores up to 8 Standard Pill Bottles

How Does This Program Benefit You?

- Extends Patient Care Beyond Your Practice
- Pays You \$20 per unit – No Cost or Work Required
- Supports REMS Compliance
- Responsible Prescribing of Medications
- Prevents Unintended Access
